4TH OF JULY PARADE

July 3, 2021 ★ 9 a.m. ★ Downtown Celebration

Parade entries should promote and align with promotion of the community and the Home Owners Association. Entries are not expected to be perceived as controversial and possibly negatively affect any of the purposes of the parade. A decision on whether to accept an entry will be based on overall consideration of both the positive and possible negative effects. Parade entries will comply with the guidelines that follow. CROA reserves the right to determine if entry applications are in the best interest of Celebration and its residents. Any parade-day deviations from the originally accepted application, violations of the stated guidelines or inappropriate behavior could result in your unit's exclusion from the parade.

- All entries should incorporate the theme of the parade/holiday. ▫ Exceptions for unique entries with strong visual appeal OR for entries which engage with and entertain spectators are made by CROA.
- NO HANDOUTS and NO ITEMS thrown along the parade route or in the assembly/dispersal areas, unless approved prior to the event.
- Identification banners are encouraged to accompany each unit.
- Entries which are primarily issue oriented, either directly or indirectly, or which are intended primarily for individual or organizational gain, will not be accepted. In determining whether an entry is primarily issue oriented, factors which shall be considered include, but are not limited to, whether a substantial part of the activities of the organization or its affiliates is (1) attempting to influence legislation; or (2) participating in or intervening in any political campaign on behalf of any candidate for a public office; or (3) advocating issues that function as political campaign intervention; or (4) carrying on propaganda; or (5) publishing or distributing written statements or making oral statements on behalf of or in opposition to any candidate for a public office. CROA reserves the right, in the exercise of its judgment, to determine whether an entry may be included in the line of march. Approved Celebration civic groups (i.e.: Democrats of Celebration, United we Stand) and its membership are eligible to participate.
- Currently elected public officials are eligible to participate in the parade, but not campaign for re-election.
- If music or sound is used, it must be stated on the application and volume must be adjustable
