

Owner/Service Area Responsibility Chart Golden Aster Triplex Service Area

The following is a summary of responsibilities for repairs and maintenance in the Service Area summarized and clarified from the Supplemental Declarations to the Charter for each Service Area. The Service Area repairs and maintenance are included in the monthly assessment. CROA has a Reserve Study done every three years that includes an engineer's review of the facility and recommended replacements, which management follows. Your Service area has an annual budget that includes the operating expenditures, as well as recommended funding per the Reserve Study. The Reserve Study, budget and financial statements are available to all owners and are included on the secure portion of the website. Please do not hesitate to contact Management to receive a copy of these documents, if you are unable to find on the website.
